

OPTION XIII: READING THE BIBLE

This option provides an opportunity to read through the Bible. If the entire Bible cannot be read, the group may concentrate on a section of the Old Testament such as Genesis, Exodus, Deuteronomy, Joshua, Judges, Ruth, 1-2 Samuel, 1-2 Kings, and the New Testament.

Reading in addition to standard reference books and commentaries:

Richardson, Alan. *Preface to Bible Study*.

Dodd, C. H. *The Bible Today*.

Wright, David F., Editor. *The Bible in Scottish Life and Literature*. Edinburgh: The Saint Andrew Press. 1988. vii + 236 pp.

William, David Daniel. *William Tyndale*. 1994.

A great account of how the Bible was put into English and of a great theologian who is now receiving due recognition from Catholics and Protestants alike.
