

Dear Friends of the Foundation:

It was on February 7, 2002, that I began reading and studying the **English Standard Version** (ESV) of the Bible. I continue to regard it as a great joy and privilege to do so.

Now I am pleased to learn that **Good News & Crossway**, the publisher of the ESV Bible, is going to publish the **ESV Study Bible**. It is scheduled to be released in October of this year, so I have not seen it yet. But here is their announcement, along with pre-publication sale prices:

The purchase price of a print copy will also include free access to the on-line edition of the ESV Study Bible, which will have additional resources.

Of course, **Ligonier Ministries** has previously released the **Reformation Study Bible**, also using the ESV text but with their own set of study notes:

You may want to buy one of each and compare them!

Grace and Peace,

Dr. James C. Goodloe IV, *Executive Director*
