

Karl Barth, *Church Dogmatics*

Barth, Karl. *Church Dogmatics*. Edited by G. W. Bromiley and T. F. Torrance. Four volumes, in twelve parts (one in two halves), plus index. Edinburgh: T. & T. Clark, 1936–1977. Cited by volume, part, and page. Study Edition, in thirty-one paperback fascicles. London and New York: T. & T. Clark, 2009.

The chapter divisions of the original do not appear in the contents or text of the study edition. Their names, however, do appear on the back of each fascicle as a part of the synopsis comparing the first edition and the study edition, where they identify the latter's groupings of numbered "paragraphs" (§) into fascicles. Page numbers from the first edition are given in the margins of the study edition, and a note in I.1 encourages continuing to use them for references to this work.
