

Appendix: Texts, Psalms, and Hymns

The sermons above are based on the readings from the Acts of the Apostles. At the same time, each reading was paired with a unison or responsive reading from the Old Testament, often a Psalm. And each Sunday, of course, hymns were sung as a part of the service. In case any of this information might also be helpful (even as a starting point which is rejected) to others who are called to preach and to lead worship in this way, it is provided below.
